Free chlamydia and gonorrhoea testing for under 25 year olds

Chlamydia and gonorrhoea are the most common sexually transmitted infections (STIs).

They can have no symptoms and if left untreated can lead to serious long term health problems.

They are simple to test for and easily treated with antibiotics.

Aged 15 -24?

Pick up your Free chlamydia and gonorrhoea testing kit from:

- Foyer at Coltishall Medical Practice
- Patient toilet at Spixworth Surgery

Also available via Reception, Dispensary, your GP or Practice Nurse
